BOOK WEEK AND PARADE

Thank you to all families for the support of the Book Parade yesterday. This is always an enjoyable event as we celebrate the enjoyment and magic of reading. The creativity and effort shown by our families is very much appreciated. We were also very lucky to have the amazing Blurb's again visit CGPS, and were able to connect students to a range of books using song, dance and humour, finishing off an amazing day – we were also very lucky to have Grade 3-6 participate in a session with Bendigo author Lauren Mitchell, and finally a performance (is probably the best way to describe it), with the incredible and energetic narrator and actor – Stig Wemyss.

FATHER'S DAY STALL— THURSDAY SEPTEMBER 3rd

With Father's Day falling on Sunday September 6th this year, we will be holding our annual Father's Day Stall on Thursday 3rd. Thank you to families that have donated gifts to support this special activity. Gifts will range from \$1-\$5. Thanks for your support.

2026 PARENT CAREGIVER AND GUARDIAN OPINION SURVEY

This survey is now open until Friday September 18th, 2026. The survey seeks feedback on school climate, community engagement in learning, teaching practices for student engagement and outcomes, and attitudes towards school attendance.

Links for the survey were emailed to families with the newsletter two weeks ago.

ASTHMA & ALLERGIES

If children need medication for Hay Fever and/or allergies through the school day please bring it to the school office, clearly named with pharmacy label attached. Make sure that the medication is in date. Inform the school office if your child has been medicated before school on any particular day. If your child is asthmatic please provide an up-to-date asthma plan, medication available at school and, if appropriate, a spacer.

CALIFORNIA GULLY PRIMARY SCHOOL UNIFORM EXPECTATIONS

A reminder that students are expected to wear the correct school uniform each day. This is particularly important when attending excursions and community events, as students are representing California Gully Primary School. Thank you to families for supporting our students to wear their uniform with pride. If you need support, please reach out to our Well-Being Team or order using www.equalthreads.org.au.

ILLNESS

Unfortunately, we have continued to see high levels of illness with many students, staff and families.

If your child is unwell, please keep them at home and notify the school of their absence.

Illnesses such as the common cold, influenza and RSV spread easily, and we need healthy students and staff at school. Keeping everyone healthy remains a priority.

SUN SMART - HATS

We are encouraging all families to start the search to find school hats as the weather (every now and then) starts to warm up and UV index increases. It is extremely important to have hats available at school from mid-August. CGPS support the use of sun protection measures when the **UV index levels are 3 or higher**. In Term 4 the **'No Hat No Play'** policy will always be followed. Hats can be purchased from www.equalthreads.org.au, or a Navy Blue Bucket/wide brim is fine.

Andrew Frawley
CGPS Principal

SCHOOL ARRIVAL TIMES AND EARLY COLLECTION

Morning Drop-off: We remind all families that children should not be onsite prior to the 8.40 a.m. bell. At this point staff are on duty and actively supervising. Please respect this request for the safety of all students, staff and families. *Before School Care is available if dropping off children before 8.40 a.m. Enrolment details are found later in the newsletter.*

Late Arrival: If your child is late arriving at school (any time after 9 a.m.) they must sign in at the office prior to going to the classroom.

Early Collection: If your child needs to be collected early from school, please do not go to the classroom to collect your child. All children must be collected from the office. If you would like to collect your child early from school, please let the office and your child's classroom teacher know at least 30 minutes prior to collection, but preferably before the start of the school day.

To support Child Safe and OHS procedures, we ask that everyone respects this request.

Thank you for your care and understanding.

We are SunSmart - a note for families

Too much of the sun's ultraviolet (UV) radiation can cause sunburn, skin and eye damage and skin cancer.

UV damage accumulated during childhood and adolescence is associated with an increased risk of skin cancer later in life. Skin cancer is the most common cancer in Australia. It is also one of the most preventable cancers.

You can't see or feel the sun's UV. Whatever the weather, if the UV levels are three or more, it's important to *Slip, Slop, Slap, Seek and Slide!*

Sun protection times

Don't just wait for hot and sunny days to use sun protection. Check the sun protection times each day so your family can be protected when they need to be.

Daily local sun protection times and weather details are available from the SunSmart widget on our school website, in the weather section of the newspaper, on the SunSmart website at sunsmart.com.au and as a free SunSmart app. Sun protection times can also be found at the Bureau of Meteorology website and live UV levels are available from ARPANSA.

SunSmart membership

Our school is a registered member of Cancer Council Victoria's SunSmart Schools Program. We aim to protect students and staff from too much UV.

Sun protection and skin cancer prevention is a shared responsibility. Please help support our SunSmart membership and sun protection efforts by ensuring your child follows the SunSmart measures included in our policy at school and at home.

During the daily local sun protection times (usually from mid-August to the end of April), **use these 5 SunSmart steps – even if it's cool and cloudy.**

1. **SLIP** on covering clothing

For free dress days, ensure your child wears clothing that covers as much skin as possible (e.g. elbow length tops with a higher neckline or collar and longer style shorts or skirts). Densely woven fabrics are best.

2. **SLOP** on SPF50+ broad-spectrum, water-resistant sunscreen

Apply a generous amount of sunscreen at the start of the day and make sure children have sunscreen in their bag ready to reapply throughout the day. Sunscreen should be reapplied every two hours. Please ensure children get plenty of sunscreen application practice at home so they'll be all set when they are at school. Under supervision, ask children to put a dot of sunscreen on each cheek, nose and chin and rub it in (avoiding the eye area) and sunscreen squiggles or dots on the back of the neck, arms and legs to cover these areas.

3. **SLAP** on a hat that protects the face, neck and ears

Choose a wide-brimmed, legionnaire or bucket hat. Peak caps and visors do not offer enough UV protection so please leave them at home. Please help your child remember to bring and wear their approved **school hat**. Please keep this at school so they will always be ready for outdoor activities, outdoor learning and play during school days. For the walk to and from school and weekends, please have an extra **home hat** to help keep children protected at home.

4. **SEEK** shade

Choose shady spots for learning and play whenever possible.

5. **SLIDE** on wrap-around AS1067 sunglasses

When appropriate and practical, help protect the eyes with sunglasses.

Need information in another language? Call 13 14 50 and ask to be connected to Cancer Council Victoria in your language
