Thursday June 9th 2022

Queens Birthday Public Holiday - Monday 13th June
Professional Practice Day - Monday 20th June, is a Student Free Day.
Children are not required at school on these days. Thank you for your support and understanding.

COVID, FLU AND COMMON COLD CHALLENGES

It is very clear that there are many illnesses within communities at present and they are impacting on the health of many. This is no different at CGPS with many classes having a number of students away each day. It is important to note that staffing, both teachers and Education Support staff, continues to be extremely challenging due to illness and isolation requirements. We are working extremely hard to keep normal class structures and programs going at present and we are asking for your assistance - **if your child is unwell please keep them home and also make contact with the school to inform.**

FOUNDATION (PREP) ENROLMENTS 2023

Thank you to parents who have let us know their child will be starting Foundation (Prep) next year. We encourage families to contact the school if they have a child starting school next year. As we move into the month of June we start to really focus on staffing, grade structures and the allocation of resources for next year. The enrolment form, a copy of the child's birth certificate and immunisation record should be returned to school by Friday June 24th.

This date is set by the Department of Education. If your child has additional needs including a medical diagnosis, language difficulties, is involved with any Early Intervention services, or if you just have a worry or concern about your child, please make an appointment to see Kathryn or Andrew as soon as possible.

COVID SAFE AND COMMUNICATION

Please see below an update for Term 2 and Covid Safe processes:

Face masks

From 11:59 pm Friday 22nd April, face masks, while recommended, are not required in any school setting. This means students in grades 3 to 6, staff and visitors in primary schools are no longer required to wear face masks. Any student or staff member who wishes to wear a mask may do so, including those who are medically at-risk.

Screening requirements

Students and staff who have tested positive for COVID-19, and have completed their 7-day isolation period, now do not need to undertake rapid antigen test (RAT) screening for 12 weeks after their release from isolation. This was previously 8 weeks.

Household contacts

Students and staff who are household contacts of a COVID-19 case are no longer required to quarantine. They can return to school as long as they undertake rapid antigen tests (RAT) 5 times within their 7-day period and wear face masks indoors if they are aged 8 and above unless they have a valid exemption.

If any household contact returns a positive RAT result during this period, they must isolate for 7 days and not attend school.

RAT screening program extension reminder

The supply of RATs will continue for the remainder of this term. The request to complete RATS no longer applies, it is now requested that they are used when symptoms are present and when identified as a household contact. We will distribute the next collection of RATS over the coming days. If you require RATS immediately, please contact the office.

Thank you for the ongoing care and support at this time.

Andrew Frawley
CGPS Principal

How do prizes work? Help your child fundraise more by setting a fundraising goal! It's okay if they change their mind as you order their preferred prizes at the completion of the fundraiser. You can order your child's prizes online at www.australianfundraising.com.au from 24/06/2022 until 01/07/2022. Students can choose a prize based on the total amount of dollars raised, or mix and match smaller prizes.
