CURRICULUM DAY - Wednesday March 1st

Thank you for the support provided yesterday for our scheduled Curriculum Day. We continue to work towards high level strategies and initiatives regarding well-being within our school community. Yesterday's Professional Learning provided an important opportunity to work as a whole staff ensuring understanding and consistency for students and school community.

NATIONAL RIDE2SCHOOL DAY

National Ride2School Day will occur on Friday March 24th and is the perfect opportunity to kick-start new healthy habits and promote the many benefits of active travel. We encourage all students and their families to leave the car at home and give riding, walking, scooting or skating to school a go. It's sure to be a fantastic day and we look forward to seeing you there!

LABOUR DAY PUBLIC HOLIDAY - MONDAY MARCH 13th

A friendly reminder that Monday March 13th, is the Labour Day public holiday. Enjoy the extra day with family and friends.

THE RESILIENCE PROJECT - PARENT AND CARER ONLINE PRESENTATION

Martin and TRP Team are so looking forward the online Parent & Carer presentation on:

Thursday 23rd March from 6:30pm - 8:00pm (90 minutes) AEDT.

Through emotionally engaging stories and practical strategies, this session will help parents and carers understand the benefits of letting go of shame, perfection, ego and control. It will combine powerful research with candid storytelling, along with a few laughs to help support what is arguably the toughest job in the world... being a parent or carer!

Why a Parent & Carer presentation?

When building positive mental health in schools, we know the best impact happens when we work together. The 'Authentic Connection' presentation helps do just that by sharing those same evidence-based strategies being taught in the classroom, so they can be also used at home and beyond. Attendees will also be reminded of the importance of their own wellbeing - we bring the best versions of ourselves to our family and community, when we make time to look after ourselves.

Parents and Carer will need to register for the webinar using the following:

TERMS TWO CURRICULUM DAYS -PLEASE MAKE A NOTE IN THE DIARY

Monday April 24th - (Please note this an additional date)

We have now included a second Curriculum Day to start Term 2, plus the initial Student Free Day scheduled for Wednesday 26 April. We have been given the amazing opportunity to begin Term 2 with professional learning to support our 'Writing' focus and will also reduce the start/stop beginning of Term 2.

Staff will participate in Professional Learning linked to the 6+1 Writing Traits on Monday and then, Love Mathematics on Wednesday.

Wednesday April 26th - Mathematics Professional Learning Day with educational consultant - Love Maths

The challenge of these days is the timing. These will occur in Week 1 of Term 2. with ANZAC Day on Tuesday 25th and then the Curriculum Day on Wednesday 26th, Students will now return on Thursday 27th, We acknowledge that the timing is far from ideal although opportunities to engage with the high-level consultant was limited.

EFFECTIVE COMMUNICATION

A friendly reminder that we encourage communication with teachers as this partnership supports great outcomes for all children. It is important to understand however, that emails sent during the day to teaching staff may not be viewed during teaching time and at times not until the following day. If it is an important message that requires a quick response or notification, please contact the office and communication will then occur with the appropriate teacher and/or student. This includes things like an early pick up for an appointment, a different person picking up or check-in. Thanks for your understanding.

RAPID ANTIGEN TESTS (RAT's)

CGPS still have a large supply of RATS (Rapid Anitgen Tests), please dont hesitate to contact the office if you require some for your family.

Schools on the Bushfire At-Risk Register and Category 4

Fire danger ratings indicate how dangerous a fire would be if one started in those conditions and provide clear direction on the safest options for preserving life. They can be a trigger for action in community and for school and household level fire plans.

Schools and children's services listed on the Department of Education and Training's Bushfire At-Risk Register (BARR) and those at some lower risk of bushfire or grassfire on the Category 4 list will be closed when a Catastrophic fire danger rating day is forecast in their Bureau of Meteorology district.

Schools and early childhood services listed on the Department of Education and Training's Bushfire At-Risk Register (BARR) and those at lower risk of bushfire or grassfire on the Category 4 list take pre-emptive actions on elevated fire danger days to minimise the risk of being caught in a fire in these conditions. The category of risk (per the BARR or Category 4 list) determines the actions that the school or early childhood service will need to take on days of elevated fire danger.

Our school has been identified as being one of these schools at high bushfire or grassfire risk

California Gully Primary School is rated as Category 3 – considered to be at risk from bushfire.

Our school will close on a day forecasted as Catastrophic fire danger rating in Northern Country fire district.

The department will advise our school of the potential for a Catastrophic fire danger rating as information becomes available, however the pre-emptive closure will be confirmed by 1pm the day prior to Catastrophic fire danger day.

Fire danger ratings are forecast by the Bureau of Meteorology up to four days in advance. Should a Catastrophic day be forecast, we will notify you of the potential closure by an email or hard copy letter. Closure of the school due to a forecast Catastrophic day will be confirmed on the day prior and we will provide you with advice before the end of the school day.

Once confirmed, the decision to close will not change, regardless of improvements in the weather forecast. This is to avoid confusion and help your family plan alternative care arrangements for your child. It is also important to note that:

- No staff will be on site on days where the school is closed due to a forecast Catastrophic day
- Out-of-school-hours care will also be cancelled on these days.
- School camps will be cancelled if a Catastrophic fire danger rating day is forecast for the Bureau of Meteorology district in which the camp is located, or if the travel involves passing through areas that have Catastrophic fire danger.

Families are encouraged to enact their Bushfire Survival Plan on Catastrophic fire danger rating days. On such days, children should never be left at home alone or in the care of older children.

For those of us living in a bushfire prone area, the Country Fire Authority (CFA) advises that when Catastrophic days are forecast, the safest option is to leave the night before or early on the morning of the Catastrophic day.

As part of preparing our school for potential hazards such as fire, we have updated and completed our Emergency Management Plan.

What can parents do?

- Make sure your family's bushfire survival plan is up-to-date and includes alternative care arrangements if our school is closed due to elevated fire danger or a Catastrophic fire forecast. Further information can be found on the [CFA's website](#).
- Ensure we have your current contact details, including your mobile phone numbers.
- Most importantly at this time of year, if you're planning a holiday or short stay in the bush or in a coastal area, you should check warnings in advance of travel and remain vigilant during your stay.
- If your child is old enough, talk to them about bushfires and your family's Bushfire Survival Plan.
- You can access current information about school and early childhood services closures, including those due to elevated fire danger, on the Department of Education and Training's website – see <http://www.education.vic.gov.au/about/programs/health/pages/closures.aspx>

Multiple sources that offer information on emergencies are listed below:

- VicEmergency app – that can be downloaded on your android and iOS mobile devices

Parent & Community Presentation

At The Resilience Project, our mission is to teach positive mental health strategies to help people build happiness and resilience.

Some of the mental health statistics in our country are startling. Looking after our mental health doesn't have to be.

We are especially committed to delivering programs in primary and secondary schools. These settings have the greatest opportunity to instil positive wellbeing habits in our youth, and rewrite the confronting mental health statistics.

One in four adolescents will experience mental health problems this year and nearly two thirds of them will not seek help.

Alarming, **one in seven** primary school students are also likely to experience mental health problems this year.

Through engaging presentations, student curriculum, teacher resources and digital content, our School Program supports mental health not just in the classroom, but also in the family home.

During our Parent & Community Presentation, Hugh van Cuylenburg or Martin Heppell will share their experiences and combine them with practical strategies that can be implemented every day to improve our overall wellbeing.

The research is clear; the more positive emotion you experience, the more resilient you will be. For that reason we focus on three key pillars that have been proven to cultivate positive emotion; **Gratitude, Empathy and Mindfulness (GEM).**

Key Takeaways

As parents and carers, we know you want to show up for your kids, support their mental health, and encourage them to be the best they can be. An important part of showing up for our children, however, is first showing up for ourselves.

Our Parent & Carer Presentation will help you...

- **Equip yourself with simple, practical tools** to look after your own wellbeing.
- **Be informed** of the confronting mental health statistics in our country, and **understand why prevention is the key** to changing this narrative (especially for our children).
- **Learn about GEM (Gratitude, Empathy & Mindfulness)** - the evidence-based principles your kids' are living and breathing at school to feel happier and build resilience.
- **Feel confident** in holding positive wellbeing discussions with your family.

Smile Squad is coming to this school

The Smile Squad team from Bendigo Health are coming to our school in March 2023.

Smile Squad is the Victorian Government free school dental program.

This means all students can get a free dental check-up, preventive services, and treatment at school.

How to access free dental care

We need your consent before we can provide services. Consent is usually provided by a parent or guardian.

Sign up to Smile Squad at: <https://bit.ly/smilesquadvic>

OR use the below QR code:

Please complete and submit the consent form by Friday 10th March 2023.

Paper copies of the consent form are available. Please contact the school office if you would like to request one.

The electronic consent form can be translated into more than 100 languages, and the paper form is available in 13 languages.

Do I need to attend my child's appointment?

No, you do not need to attend your child's appointment. You can attend if you would like to, and you can take your child to the community dental clinic if you prefer.

The Bendigo Health Smile Squad team look forward to seeing you soon.
