SWIMMING PROGRAM – NOVEMBER 9th TO 13th

Our annual swimming program is occurring next week, making it a very busy and enjoyable few days. We are still waiting on a few permission forms and don't forget – bathers and towel everyday next week. For this reason, we will not hold an assembly next week.

WATER BOTTLES

As the warmer weather becomes more consistent, we ask that children have a drink bottle to use in the classroom. It is important to keep hydrated by drinking water and equally is important not to have interruptions during learning time, needing to go to the bubble taps. Please only fill with water!

ASTHMA AND HAY FEVER SEASON

It is very clear at present, with increased pollen and inclement windy and stormy allergies are more frequent. If children require or use medication for Hay Fever through the school day please bring it to the school office, clearly named with pharmacy label attached and make sure that the medication is in date. Please inform the school office if your child has been medicated before school. If your child is asthmatic please provide an up-to-date asthma plan, medication available at school and an if appropriate a spacer. Thanks for your support.

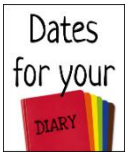

STATE ATHLETICS CHAMPIONSHIPS

On behalf of the CGPS Community we pass on our congratulations to Addi. W, on her amazing performance on reaching the State Athletic Championships held in Melbourne last Thursday in discus. Well done Addi!

SCHOOL ARRIVAL TIMES AND EARLY COLLECTION

Morning Drop-off: We remind all families that children should not be onsite prior to the 8.40 a.m. bell. At this point staff are on duty and actively supervising. Please respect this request for the safety of all students, staff and families. *Before School Care is available if dropping off children before 8.40 a.m. Enrolment details are found later in the newsletter.*

Late Arrival: If your child is late arriving at school (any time after 9 a.m.) they must sign in at the office prior to going to the classroom.

Early Collection: If your child needs to be collected early from school, please do not go to the classroom to collect your child. All children must be collected from the office. If you would like to collect your child early from school, please let the office and your child's classroom teacher know at least 30 minutes prior to collection, but preferably before the start of the school day.

To support Child Safe and OHS procedures, we ask that everyone respects this request.

Thank you for your care and understanding.

California Gully Primary School – School Uniform

Our school uniform supplier, State Schools Relief (SSR), has rebranded its online store to Equal Threads which will continue to provide quality, affordable uniforms while supporting students across Victoria.

There's nothing you need to do. Our school uniform range, ordering process and service all remain the same. Families can continue to easily find and purchase items using the familiar 'Shop by School' option on the new website.

Every purchase made through Equal Threads helps support students experiencing disadvantage with the essentials they need to feel confident, included, and ready to learn.

Visit the new website at

https://www.equalthreads.org.au/collections/california-gully-ps

Equal Threads (formally State Schools Relief Online Store), our preferred school uniform supplier, is offering free Click and Collect directly to the school.

Pre-order: Free Click and Collect

To receive free 'click and collect' delivery to school, please:

- Visit California Gully Primary School –Online Store
- place your 'click and collect' order between October 29th and November 12th.
- for new school families please state 'Prep 2027' in the 'additional notes' section of your order. For existing families, please state your students name and class.
- collect your order at our Prep Transition Day on November 19th.

As a social enterprise, Equal Threads returns all funds to State Schools Relief to support students experiencing disadvantage.

We are SunSmart
- a note for families

Too much of the sun's ultraviolet (UV) radiation can cause sunburn, skin and eye damage and skin cancer.

UV damage accumulated during childhood and adolescence is associated with an increased risk of skin cancer later in life. Skin cancer is the most common cancer in Australia. It is also one of the most preventable cancers.

You can't see or feel the sun's UV. Whatever the weather, if the UV levels are three or more, it's important to *Slip, Slop, Slap, Seek and Slide*!

Sun protection times

Don't just wait for hot and sunny days to use sun protection. Check the sun protection times each day so your family can be protected when they need to be.

Daily local sun protection times and weather details are available from the SunSmart widget on our school website, in the weather section of the newspaper, on the SunSmart website at sunsmart.com.au and as a free SunSmart app. Sun protection times can also be found at the Bureau of Meteorology website and live UV levels are available from ARPANSA.

SunSmart membership

Our school is a registered member of Cancer Council Victoria's SunSmart Schools Program. We aim to protect students and staff from too much UV.

Sun protection and skin cancer prevention is a shared responsibility. Please help support our SunSmart membership and sun protection efforts by ensuring your child follows the SunSmart measures included in our policy at school and at home.

During the daily local sun protection times (usually from mid-August to the end of April), ***use these* 5 SunSmart steps – *even if it's cool and cloudy.***

1. *SLIP* on covering clothing

For free dress days, ensure your child wears clothing that covers as much skin as possible (e.g. elbow length tops with a higher neckline or collar and longer style shorts or skirts). Densely woven fabrics are best.

2. *SLOP* on SPF50+ broad-spectrum, water-resistant sunscreen

Apply a generous amount of sunscreen at the start of the day and make sure children have sunscreen in their bag ready to reapply throughout the day. Sunscreen should be reapplied every two hours. Please ensure children get plenty of sunscreen application practice at home so they'll be all set when they are at school. Under supervision, ask children to put a dot of sunscreen on each cheek, nose and chin and rub it in (avoiding the eye area) and sunscreen squiggles or dots on the back of the neck, arms and legs to cover these areas.

3. *SLAP* on a hat that protects the face, neck and ears

Choose a wide-brimmed, legionnaire or bucket hat. Peak caps and visors do not offer enough UV protection so please leave them at home. Please help your child remember to bring and wear their approved ***school hat***. Please keep this at school so they will always be ready for outdoor activities, outdoor learning and play during school days. For the walk to and from school and weekends, please have an extra ***home hat*** to help keep children protected at home.

4. *SEEK* shade

Choose shady spots for learning and play whenever possible.

5. *SLIDE* on wrap-around AS1067 sunglasses

When appropriate and practical, help protect the eyes with sunglasses.
