CURRICULUM DAY – MONDAY OCTOBER 19th

A reminder that we have a curriculum day scheduled for this coming Monday 19th October. All staff will participate in Professional Learning -Tuning Into Students, Emotionally Intelligent Teaching: Emotion Coaching. Based on the highly regarded, evidence-based Tuning in to Kids® programs from the University of Melbourne, this focus will continue to support all staff to further recognise, understand and respond constructively to students' emotions - turning emotional moments into opportunities for growth and connection. **No students will attend school on this day.**

Mental Health Month is held in October each year.

We are encouraging all children to wear a touch of pink with their uniform on Friday October 16th.

This is an important moment to raise awareness of mental health, reduce stigma and encourage people to seek support when they need it. It's also an opportunity to pause, check in with ourselves and those around us, and reflect on how we can look after our own mental health and wellbeing.

Mental Health Australia, the national peak body for the mental health sector, coordinates the national Mental Health Month campaign. This year's theme is Together We Thrive.

Whether at home, at work, at school, in the community or online, this Mental Health Month we're encouraging everyone to start conversations, share their stories and strengthen the connections that help us thrive. Visit the website here: www.worldmentalhealthday.com.au

CALIFORNIA GULLY PRIMARY SCHOOL – FOUNDATION TRANSITION PROGRAM (2027)

We are very excited to welcome our 2027 Foundation students and families for their first transition visit in preparation for next year. This visit will occur on:

Orientation Session 1: Tuesday October 20th, 9.15 -10.45am

SQUISHIES, SENSORY TOOLS AND FAKE NAILS

We ask that squishies and fake nails please stay at home. They are both having a negative impact for many students, distracting from or making learning difficult, and increasing safety concerns on a regular basis. We understand that having access to sensory tools can be extremely beneficial for regulation and learning focus although this will be recommended as part of a support plan and the school will continue to assist. If you need further support, please speak with teaching staff so we can agree on a suitable and safe option.

Thank you for helping us keep our learning spaces safe and focused.

ATHLETICS SUCCESS

Well done to Addi who represented CGPS at the Regional Athletics Carnival held on Monday. Addi should be very proud as she won the discus event for her age group and will now compete at the next level. Well done and good luck!

SUN SMART - HATS

With the weather warming up and UV index increasing on a daily basis. It is extremely important to have hats available at school. CGPS support the use of sun protection measures when the **UV index levels are 3 or higher**. In Term 4 the 'No Hat No Play' policy will always be followed. Hats can be purchased from www.equalthreads.org.au, or a Navy Blue Bucket/wide brim is fine.

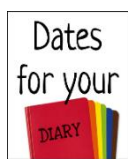

ASTHMA & ALLERGIES

If children need medication for Hay Fever and/or allergies throughout the school day please bring it to the school office, clearly named with pharmacy label attached. Make sure that the medication is in date. Inform the school office if your child has been medicated before school on any particular day. If your child is asthmatic please provide an up-to-date asthma plan, medication available at school and, if appropriate, a spacer.

TERM FOUR – CURRICULUM DAYS

Please place the following dates into the diary for Term 4:

Monday October 19th – Tuning Into Kids, Emotionally Intelligent Teaching

Friday November 20th - Assessment and Report Writing

Friday December 11th – 2027 Planning

SNAKE AND REPTILE SAFETY

Although the weather is unpredictable at present, we have had glimpses of the warmer weather and this often means local wildlife becomes more active. We have a range of reptiles either living or passing by our school grounds on a regular basis and it is essential the safety of all students and animals is our focus. We regularly have 'Sand Monitors' (Sand Goanna, Gould's Monitor), snakes, blue tongue and stumpy tails. We ask children to always be vigilant, and encourage you to have conversations at home, particularly if your family ride, walk or skate to school.

WATER BOTTLES

As the weather warms up we ask that children have a drink bottle to use in the classroom. It is important to keep hydrated by drinking water and equally is important not to have interruptions during learning time, needing to go to the bubble taps. Please only fill with water!

BUSHFIRE PREPARATIONS

It is predicted that it will be a long, hot and dry summer, and with this the increased chance of bushfire. CGPS are working towards ensuring that in both planning within the Emergency Management Plan and our facilities are best prepared to respond safely and quickly in the event of fire within our community. Due to the proximity to bushland our school and OSHC service is listed on the Department of Education and Training's Bushfire At-Risk Register (BARR). This means that our school will **close** on a day forecasted as **Catastrophic fire danger rating in North Western fire district**. We will also have some building works occurring later in Term 4 to increase the Bushfire Safety levels of our Shelter-in-place building, the BER (Junior Building).

CALIFORNIA GULLY PRIMARY SCHOOL UNIFORM EXPECTATIONS

A reminder that students are expected to wear the correct school uniform each day. This is particularly important when attending excursions and community events, as students are representing California Gully Primary School. Thank you to families for supporting our students to wear their uniform with pride. If you need support, please reach out to our Well-Being Team or order using www.equalthreads.org.au.

We are SunSmart - a note for families

Too much of the sun's ultraviolet (UV) radiation can cause sunburn, skin and eye damage and skin cancer.

UV damage accumulated during childhood and adolescence is associated with an increased risk of skin cancer later in life. Skin cancer is the most common cancer in Australia. It is also one of the most preventable cancers.

You can't see or feel the sun's UV. Whatever the weather, if the UV levels are three or more, it's important to *Slip, Slop, Slap, Seek and Slide*!

Sun protection times

Don't just wait for hot and sunny days to use sun protection. Check the sun protection times each day so your family can be protected when they need to be.

Daily local sun protection times and weather details are available from the SunSmart widget on our school website, in the weather section of the newspaper, on the SunSmart website at sunsmart.com.au and as a free SunSmart app. Sun protection times can also be found at the Bureau of Meteorology website and live UV levels are available from ARPANSA.

SunSmart membership

Our school is a registered member of Cancer Council Victoria's SunSmart Schools Program. We aim to protect students and staff from too much UV.

Sun protection and skin cancer prevention is a shared responsibility. Please help support our SunSmart membership and sun protection efforts by ensuring your child follows the SunSmart measures included in our policy at school and at home.

During the daily local sun protection times (usually from mid-August to the end of April), **use these 5 SunSmart steps – even if it's cool and cloudy.**

1. **SLIP** on covering clothing

For free dress days, ensure your child wears clothing that covers as much skin as possible (e.g. elbow length tops with a higher neckline or collar and longer style shorts or skirts). Densely woven fabrics are best.

2. **SLOP** on SPF50+ broad-spectrum, water-resistant sunscreen

Apply a generous amount of sunscreen at the start of the day and make sure children have sunscreen in their bag ready to reapply throughout the day. Sunscreen should be reapplied every two hours. Please ensure children get plenty of sunscreen application practice at home so they'll be all set when they are at school. Under supervision, ask children to put a dot of sunscreen on each cheek, nose and chin and rub it in (avoiding the eye area) and sunscreen squiggles or dots on the back of the neck, arms and legs to cover these areas.

3. **SLAP** on a hat that protects the face, neck and ears

Choose a wide-brimmed, legionnaire or bucket hat. Peak caps and visors do not offer enough UV protection so please leave them at home. Please help your child remember to bring and wear their approved **school hat**. Please keep this at school so they will always be ready for outdoor activities, outdoor learning and play during school days. For the walk to and from school and weekends, please have an extra **home hat** to help keep children protected at home.

4. **SEEK** shade

Choose shady spots for learning and play whenever possible.

5. **SLIDE** on wrap-around AS1067 sunglasses

When appropriate and practical, help protect the eyes with sunglasses.
