CALIFORNIA GULLY PRIMARY SCHOOL - FOUNDATION TRANSITION PROGRAM (2026)

We are very excited to welcome our 2026 Foundation students and families for their first transition visit in preparation for next year. This visit will occur on:

Orientation Session 1: Tuesday 21st October, 9.15 -10.45am

ATHLETICS SUCCESS

A huge congratulations to Addi and Casey for representing CGPS at the Regional Athletics Carnival held on Monday. Both students should be very proud of their efforts, with a special mention to Addi who won and placed in her events (1st- Discus and 3rd - Shot Put), and will now compete at the next level. Well done and good luck!

BIKETOBER (OCTOBER 6th—OCTOBER 31st)

Biketober is a fun, friendly competition to get more students, parents and staff travelling actively to school, by walking, bus, biking, or scooting. Each CGPS class will complete a weekly tally and compete to see which can get the most students travelling actively school over the month. We will provide further information.

ASTHMA & HAYFEVER

If children need medication for Hay Fever and/or allergies through the school day please bring it to the school office, clearly named with pharmacy label attached. Make sure that the medication is in date. Inform the school office if your child has been medicated before school on any particular day. If your child is asthmatic please provide an up-to-date asthma plan, medication available at school and, if appropriate, a spacer.

WATER BOTTLES

As the weather warms up we ask that children have a drink bottle to use in the classroom. It is important to keep hydrated by drinking water and equally is important not to have interruptions during learning time, needing to go to the bubble taps. Please only fill with water!

BUSHFIRE PREPERATIONS

It is predicted that it will be a long, hot and dry summer, and with this the increased chance of bushfire. CGPS are working towards ensuring that in both planning within the Emergency Management Plan and our facilities are best prepared to respond safely and quickly in the event of fire within our community. Due to the proximity to bushland our school and OSHC service is listed on the Department of Education and Training's Bushfire At-Risk Register (BARR). This means that our school will **close** on a day forecasted as **Catastrophic fire danger rating** in **North Western fire district**. To support understanding for all families, detailed information has been included within this newsletter and will continue over the coming weeks.

CGPS Principal

Now that the Kids Active Travel Program has ended, tell us again how your grades 3-6 child gets to school and what you think about your child walking or riding.

COMPLETE A SHORT ONLINE SURVEY

1. Scan the QR code
2. Read the instructions
3. Answer the questions
4. Submit

The survey will close in a week.

You can also access the survey at:

<https://www.surveymonkey.com/r/CaliforniaGullyParentEnd>

ABOUT THE SURVEY

Our school has been participating in the Kids Active Travel Program, so that we can assist more students in Grades 3-6 to walk or ride to school safely. Now that the program has ended, we want to find out what's changed about how your child gets to school and your views on active travel to school.

The survey is being run by the Department of Jobs, Skills, Industry and Regions, which funds the Kids Active Travel Program. Any information you provide will be confidential. More information is available by scanning the QR code.

SCHOOL ARRIVAL TIMES

Morning Drop-off: We remind all families that children should not be onsite prior to the 8.40 a.m. bell. At this point staff are on duty and actively supervising. Please respect this request for the safety of all students, staff and families.

Late Arrival: If your child is late in arriving at school (any time after 9 a.m.) they must sign in at the office prior to going to the classroom. Thank you for your care and understanding.

LOST PROPERTY

We have a large number of jumpers in lost property at the moment, unfortunately many items are un-named so makes it very difficult to return to owners. The Lost Property Basket is located outside the community centre to provide an opportunity for children, parents and carers to collect any missing uniform. We also remind families to please name all lunch boxes, drink bottles and clothing worn to school.

Creating cooperation and connection

Raising children is hard.

One of the greatest challenges in parenting is getting children to cooperate. How can we do this without using punishments, rewards or coercion?

This talk will explore other ways to help children to cooperate while keeping our connection strong. It explores the benefits of play and connection and gives practical ideas and strategies to use with your child.

- The impact of punishment and rewards
- The power of play for healing and connection
- Take home ideas to use with children
- Ways to stop yelling and start connecting
- Healthy boundaries

Lael Stone is an educator, film producer, author, mother, and parenting consultant who has been working with families for over 20 years. Her work as a youth educator, social media manager, and parenting educator has been for over 10 years with thousands of families seeking advice on how to raise their children.

California Gully Primary School Preparedness And Actions For The Bushfire Season

Fire danger ratings indicate how dangerous a fire would be if one started in those conditions and provide clear directions on the safest options for preserving life. They can be a trigger for action in community and for school and household level fire plans.

Schools and children's services listed on the Department of Education and Training's Bushfire At-Risk Register (BARR) and those at some lower risk of bushfire or grassfire on the Category 4 list will be closed when a Catastrophic fire danger rating day is forecast in their Bureau of Meteorology district.

Schools and early childhood services listed on the Department of Education and Training's Bushfire At-Risk Register (BARR) and those at lower risk of bushfire or grassfire on the Category 4 list take pre-emptive actions on elevated fire danger days to minimise the risk of being caught in a fire in these conditions. The category of risk (per the BARR or Category 4 list) determines the actions that the school or early childhood service will need to take on days of elevated fire danger.

Our school has been identified as being one of these schools at high bushfire or grassfire risk and is listed on the Bushfire at Risk Register (BARR) category 3 school.

Our school will **close** on a day forecasted as **Catastrophic fire danger rating** in **North Western fire district**.

The department will advise our school of the potential for a **Catastrophic fire danger rating** as information becomes available, however the pre-emptive closure will be **confirmed by 1pm the day prior to Catastrophic fire danger day**.

Fire danger ratings are forecast by the Bureau of Meteorology up to four days in advance. Should a Catastrophic day be forecast, we will notify you of the potential closure by an email or hard copy letter and CGPS Facebook Page. If closure of the school due to a forecast Catastrophic day will be confirmed on the day prior and we will provide you with advice before the end of the school day.

Once confirmed, the decision to close will not change, regardless of improvements in the weather forecast. This is to avoid confusion and help your family plan alternative care arrangements for your child. It is also important to note that:

No staff will be on site on days where the school is closed due to a forecast Catastrophic day.

Out-of-school-hours care will also be cancelled on these days.

School camps will be cancelled if a Catastrophic fire danger rating day is forecast for the Bureau of Meteorology district in which the camp is located, or if the travel involves passing through areas that have Catastrophic fire danger.

Families are encouraged to enact their Bushfire Survival Plan on Catastrophic fire danger rating days. **On such days, children should never be left at home alone or in the care of older children.**

For those of us living in a bushfire prone area, the Country Fire Authority (CFA) advises that when Catastrophic days are forecast, the safest option is to leave the night before or early on the morning of the Catastrophic day.

As part of preparing our school for potential hazards such as fire, we have updated and completed our Emergency Management Plan for 2024-25.
