## CURRICULUM DAY

Please make a note that on **Thursday November 10<sup>th</sup>** we will be holding a Curriculum Day. The focus of the day for staff will be on 'Engagement in Mathematics'. Please note that students will not attend school on this day.

## SUNSMART - HATS

CGPS expect the use of sun protection measures when the UV index levels are 3 or higher. In Term 4 the 'No Hat No Play' policy will be followed at all times. Hats can be purchased from Centavic Clothing or a Navy Blue Bucket/wide brim is fine.

## ASTHMA & HAY-FEVER SEASON

If children need medication for Hay Fever through the school day please bring it to the school office, clearly named with pharmacy label attached. Make sure that the medication is in date. Inform the school office if your child has been medicated before school on any particular day. If your child is asthmatic please provide an up-to-date asthma plan, medication available at school and an if appropriate a spacer.

## FRESH FRUIT FRIDAY

Most Australians eat only about half the recommended quantity of fruit. However many of us drink far too much fruit juice. Fruit juices can be high in energy (kilojoules) and low in dietary fibre, and can even damage your teeth. Whole fruits are a much better choice, and are more filling. To assist our students to make better choices and eat more fruit we are supported by the McKern Foundation.

We would like to thank the McKern Foundation for providing fruit to our school each week, so we can support our student's health and wellbeing.
