TERM THREE CONCLUSION

A reminder that Friday September 18th is the last day of Term 3. Don't forget that our school day will conclude at **2.15p.m.**

FOOTY (TEAM/FAVOURITE) COLOURS DAY – FRIDAY SEPTEMBER 18th

Footy (Team) Colours Day is occurring next Friday. We look forward to a fun and enjoyable day to finish the term. Our JSC keep doing great things, well done!

PASSIONS AND PATHWAYS EXPO

Congratulations to our Grade 5/6 students that have participated in the 'Passion & Pathways' program over the Term and enjoy the final celebration being held at the Bendigo Library tomorrow. Student avatars, props for the display and artwork all look amazing. We also share our appreciation to the businesses that have supported school visits this term, with a special mention to Hume & Iser, Haynes Paints and Adam (from Lansell Homes) for working with the students to build a 'Buddy Bench' to support peer connections at CGPS. Kath and crew have also beautifully painted the bench and after the expo with return to be placed in the playground.

R U OK? DAY – THURSDAY SEPTEMBER 10th – (TODAY)

R U OK? Day is an annual national day of action encourages Australians to have meaningful conversations about mental health and wellbeing and to check in with friends, family, and colleagues who may be struggling with life's challenges.

BASKETBALL TOURNAMENT

Congratulations to students in Grade 5&6 that represented CGPS in the Division Basketball Tournament held yesterday at Red Energy Arena. Although some of the games were against very strong opponents, students were able to keep positive, develop as a team and have lots of fun along the way. Thank you to Kerryn for coaching, and parents that were able to show their support over the day.

2026 PARENT CAREGIVER AND GUARDIAN OPINION SURVEY

This survey is now open until Friday September 18th, 2026. The survey seeks feedback on school climate, community engagement in learning, teaching practices for student engagement and outcomes, and attitudes towards school attendance.

ASTHMA & ALLERGIES

If children need medication for Hay Fever and/or allergies through the school day please bring it to the school office, clearly named with pharmacy label attached. Make sure that the medication is in date. Inform the school office if your child has been medicated before school on any particular day. If your child is asthmatic please provide an up-to-date asthma plan, medication available at school and, if appropriate, a spacer.

CALIFORNIA GULLY PRIMARY SCHOOL UNIFORM EXPECTATIONS

A reminder that students are expected to wear the correct school uniform each day. This is particularly important when attending excursions and community events, as students are representing California Gully Primary School. Thank you to families for supporting our students to wear their uniform with pride. If you need support, please reach out to our Well-Being Team or order using www.equalthreads.org.au.

SUN SMART - HATS

With the weather warming up and UV index increasing on a daily basis. It is extremely important to have hats available at school. CGPS support the use of sun protection measures when the **UV index levels are 3 or higher**. In Term 4 the 'No Hat No Play' policy will always be followed. Hats can be purchased from www.equalthreads.org.au, or a Navy Blue Bucket/wide brim is fine.

Our smalltalk playgroups run for two hours a week during school terms. Each session focuses on a different parenting strategy to promote children's learning and development.

Are you supporting a family member or friend with disability, mental illness, age or health issues? Even if it's just for a few hours every week, you could be a young carer. This may look like...

- Caring with love to organisations or helping with medication
- Cleaning the house or helping with other chores
- Providing emotional support when someone feels sad
- Taking care of personal things

Being a young carer might feel lonely. But you're not alone. Carer Gateway has free support for young carers aged 25 and under.

Carer Gateway may support you with things like help at home, young carer social events, counselling or study help.

We are SunSmart - a note for families

Too much of the sun's ultraviolet (UV) radiation can cause sunburn, skin and eye damage and skin cancer.

UV damage accumulated during childhood and adolescence is associated with an increased risk of skin cancer later in life. Skin cancer is the most common cancer in Australia. It is also one of the most preventable cancers.

You can't see or feel the sun's UV. Whatever the weather, if the UV levels are three or more, it's important to *Slip, Slop, Slap, Seek and Slide*!

Sun protection times

Don't just wait for hot and sunny days to use sun protection. Check the sun protection times each day so your family can be protected when they need to be.

Daily local sun protection times and weather details are available from the SunSmart widget on our school website, in the weather section of the newspaper, on the SunSmart website at sunsmart.com.au and as a free SunSmart app. Sun protection times can also be found at the Bureau of Meteorology website and live UV levels are available from ARPANSA.

SunSmart membership

Our school is a registered member of Cancer Council Victoria's SunSmart Schools Program. We aim to protect students and staff from too much UV.

Sun protection and skin cancer prevention is a shared responsibility. Please help support our SunSmart membership and sun protection efforts by ensuring your child follows the SunSmart measures included in our policy at school and at home.

During the daily local sun protection times (usually from mid-August to the end of April), **use these 5 SunSmart steps – even if it's cool and cloudy.**

1. **SLIP** on covering clothing

For free dress days, ensure your child wears clothing that covers as much skin as possible (e.g. elbow length tops with a higher neckline or collar and longer style shorts or skirts). Densely woven fabrics are best.

2. **SLOP** on SPF50+ broad-spectrum, water-resistant sunscreen

Apply a generous amount of sunscreen at the start of the day and make sure children have sunscreen in their bag ready to reapply throughout the day. Sunscreen should be reapplied every two hours. Please ensure children get plenty of sunscreen application practice at home so they'll be all set when they are at school. Under supervision, ask children to put a dot of sunscreen on each cheek, nose and chin and rub it in (avoiding the eye area) and sunscreen squiggles or dots on the back of the neck, arms and legs to cover these areas.

3. **SLAP** on a hat that protects the face, neck and ears

Choose a wide-brimmed, legionnaire or bucket hat. Peak caps and visors do not offer enough UV protection so please leave them at home. Please help your child remember to bring and wear their approved **school hat**. Please keep this at school so they will always be ready for outdoor activities, outdoor learning and play during school days. For the walk to and from school and weekends, please have an extra **home hat** to help keep children protected at home.

4. **SEEK** shade

Choose shady spots for learning and play whenever possible.

5. **SLIDE** on wrap-around AS1067 sunglasses

When appropriate and practical, help protect the eyes with sunglasses.
