Dear Parent/Guardian,

California Gully Primary School is looking forward to another great year of teaching and learning and would like to advise you of California Gully Primary School's voluntary financial contributions for 2023.

Schools provide students with free instruction to fulfill the standard Victoria curriculum. We want to assure you that all contributions are voluntary. Nevertheless, the ongoing support from our families ensures that our school can offer the best possible education for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time – we appreciate it greatly. This is a profound and positive impact on our school and the programs we are able to offer.

Within our school, this support allows us to provide an enriched learning and teaching program for every student and is highly valued by our school community. The commitment and contributions from parents benefit students and results in improved achievement outcomes, wellbeing and engagement in learning.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,
